Re: Hosting Tournaments

Jones County has an opportunity this summer to gain some valuable income from our Baseball/ Softball facilities. We have a chance to host tournaments which would encompass collection of all gate fees, trash clean up, field preparations and trophies. We would not be responsible for umpires, team's organization, or tournament coordination. We currently allow people to rent our facilities for a fee and they collect all monies involved. I have attached a breakdown of how the financial situation will change if we decide to take on this roll.

Potential income dollars weekend of 4-16-10.

21 entered with 12 players each (x) 1.5 visitors per player per team = 378 visitors

Each visitor pays \$6.00 each to enter = \$2268.00 per day

Total Revenue for two day tournament = **\$4536.00**

Potential expense dollars weekend of 4-16-10.

Trophies - \$405.00

Loss of field revenue - \$375.00 per day

County employee(s) - \$12.00 per hr x 12 hrs = \$144.00 each per day

Gate keepers - \$10.00 per hr x 10 hrs x 3 persons = \$300.00 per day

Total Expense for two day tournament = **\$2043.00**

Potential Profit = \$2493.00

\*Revenue difference from current policy = \$1743.00

The committee discussed tournaments to be held in Jones County. The tournament the weekend of April 16, 2010 will be handled by the recreation league on Highway 18. The next tournament is scheduled in May.

**Consensus of the committee:** Consensus was that the county would try this in May and see how it goes.

April 13, 2010 Recreation Committee Summary Agenda Continued

The committee discussed security at the parks. The current budget for security is \$4,000 at the Highway 18 complex and \$1,500 at the Highway 49 complex. County Administrator Mike Underwood explained the current process of paying security at the park whereby the leagues hire and pay security, then bill the county and the county reimburses the leagues.

Matt Goins will contact Jill Thompson, Director of Human Resources about whether those working the gates must be an official county employee. They will be paid \$10.00 per hour to work the gate.

The concession stands will be open for tournaments and the county would receive additional revenue through the percentage paid to the county for concessions.

All of the leagues represented in Jones County will meet in June to discuss consolidation of the leagues. Matt Goins will attend the meeting and inform the county when the meeting is scheduled.

Matt Goins discussed the growth of the Track Association and the need to expand the facilities available to the league. He suggested installing a six lane track around the football field at the Highway 49 complex.

The committee discussed the soccer program and the ability of the Highway 49 complex to accommodate those games.

Chairman Liston recapped the discussions of the committee.

**Consensus of the Committee:** Consensus was to allow the county to try the above proposal once to waive collection of rental fees, collect the gate admissions into the tournament, provide the cleaning of the park, preparation of the fields and purchase the trophies.

Chairman Liston called for a motion.

**Motion:** So moved by Underwood, second by Robinson.

**Vote:** Unanimously approved.

**Adjournment:** The meeting adjourned at 4:25 pm.

**Motion:** Motion by Hawkins, second by Robinson to adjourn the meeting.

**Vote:** Unanimously approved.
