

**Jones County Recreation Committee Minutes**  
**September 3, 2009**

The Jones County Commissioner Recreation Committee met September 3, 2009 at the Jones County Government Center in the Charlotte C. Wilson Conference Room at 12:00 p.m.

Members and attendees present:

Bert Liston, Committee Chairman  
Tommy Robinson, Committee Vice Chairman  
Preston Hawkins, Chairman of the Board of Commissioners  
Mike Underwood, County Administrator  
Bobby Wood, Recreation Department Manager  
Margie Tyson, Executive Assistant

Committee Chairman called the meeting to order at 12:07 p.m.

Committee Vice Chairman, Tommy Robinson recommended that the committee consider installing Lightning Strike Detection Equipment. Locations were discussed and it was the consensus of the committee that the equipment should be placed at the South Complex and Central Complex since those locations historically attract the largest crowds and sporting events. Plans are underway to expand the Central Complex which should increase the potential to hold more and larger events.

Units were priced at \$6500.00 each with an estimated \$500.00 per year monitoring fee. Someone would need to be trained and would need to monitor the systems. Rules and policies will need to be developed and posted.

The consensus of the Recreation Committee was to present the following recommendation:

Install Lightning Strike Detection Equipment at the Central Complex and the South Complex

Meeting adjourned at approximately 12:35 PM.
